

Bradleys Both Community Primary School

Friday 26th April 2024

Dear Children, Parents and Staff,

We started this week recognising Earth Day in Monday morning's assembly where we thought about ways that we can look after our planet for the future. The children listened well and had some great ideas about how we can recycle, reduce and reuse in our everyday lives.

Tuesday saw some of our children come to school in their Brownie and Cub Scout uniforms to commemorate St George's Day. It was lovely to hear how some children participated in last weekend's St George's Day parade.

Bradleys Both Running Club

The Bradleys Both Running Club has been meeting on Monday afternoons after school for the last few weeks thanks to Mr Pearson, and a group of willing parent and staff helpers. It has been great to hear how well everyone has been getting on and building up their stamina for serious running. The group have increased their running to between 2 and 3 miles with Team Bradley venturing up to High Bradley and along the Canal. Thank you for everyone's commitment and support for the club.

Climate Class 4's Space Day

Climate Class 4 held a Space curriculum day on Thursday as a conclusion to their Science unit of work. It was a great opportunity to bring the children's learning to life. We had a mixture of alien, astronaut and space ranger costumes with the children coming to school dressed up. During the day, the children had fun building rockets, played Alien Drive, solved space themed Maths puzzles and created their own version of Peter Thorp's artwork. Everyone had a great day of learning and were able to apply their knowledge during lessons.

Year 6 Tennis Festival

Today, our Year 6 children took part in the interschool Key Stage 2 Tennis Festival which was held at Skipton Tennis Centre. The children represented our school well and played a series of short games. It was good to experience playing and use the tennis centre's facilities. Thank you to Adam Cox, Jonny Moore and team for organising the event.

School Photos Reminder – Tuesday 30th April

We will be welcoming back Tempest Photography on Tuesday 30th April 2024. Tempest Photography, <https://www.htempest.co.uk/> the UK'S Leading Photographers specialising in schools, early years and graduations has photographed many a families at Bradleys Both. They will photograph the children individually and in family and class groups.

If you would like a family photograph, which includes members of your family who are not in school, these can be taken before the start of the school day. Please meet in the school hall from 8.45am, where a studio will have been set up. Our photographer will work through family groups first. Children will be sent home with a proof card on the day and photographs can be ordered online. If you have any queries, please do not hesitate to contact the school office.

Dates coming up for your diaries:

30.4.2024 Tempest Individual and Group School Photographs
