

Bradleys Both Community Primary School

Friday 1st December 2023

Dear Children, Parents and Staff,

Can you believe it is the 1st December today? The glittery season is about to start! This week, the children have started to rehearse for our Christmas performances. We can't quite believe that there are only THREE weeks of term left. I hope everyone will be learning and practising their songs and lines at home.

Thank you for supporting the Friends 'Crazy Hair Day' today and bringing your chocolate tombola donations into school for the Christmas Fair. We are really grateful for everyone's support. Don't forget to order your raffle tickets which can be bought through Schoolcomms before the day of the Fair.

Parent Consultation Meetings

It has been good to meet with parents over the last two weeks to share your children's progress with you and talk through the children's next steps with their learning. Thank you for your interest, support and positive comments.

Polar Class 3 Roman Workshop

The children in Polar Class 3 took part in a [Roman Workshop](#) on Wednesday to enhance their curriculum work in History. It was great to welcome Chloe from the Craven Museum in Skipton to school, who brought artefacts for everyone to look at and handle. The Romans is a very exciting learning topic and the workshop brought the children's learning to life. The children followed up their morning by creating their own Roman mosaic coasters in the afternoon.

YCAT School Improvement Visit

It was lovely to welcome Jo Robinson, CEO of YCAT, back to school on Thursday for her second school improvement visit of the year. Mrs Robinson always enjoys meeting and talking to the children who once again shared their knowledge and understanding across areas of the curriculum. Mrs Robinson and I spent some time reviewing our recent introduction of a whole school handwriting policy. The children were proud to share the improvements they have made and talked about our approaches to teaching. It has been great to look at the improvements that have been made from September until now. Our new approaches to teaching handwriting are having a positive impact.

Visit from the Dentist

On Thursday Ocean Class 1 and Rainforest Class 2 enjoyed meeting Jodie and Amelia from Belle Vue Dental Practice who came to talk to the children about how to look after their teeth. The children listened really well and found out the importance of looking after their teeth. Thank you, Jodie and Amelia for coming to visit us at Bradleys Both.

A Special Thank You

I wanted to say a special thank you to two of our families for their generosity and kindness over the last couple of weeks who have gone over and above for our school. Firstly, we are so grateful to Danny Garrod who very kindly carried out a repair job on the main front door of the school building. Secondly, I would like to thank Ian Throup on behalf of all the children for his efforts, along with our Head Boy, to fix the three new basketball hoops up in the playground. We are very lucky to have such a supportive school community.

Friends Christmas Fair

A quick reminder that we will be holding this year's **Christmas Fair on TUESDAY 12th DECEMBER** at school from **5pm until 7pm**. We really hope that you will come and join in the fun and support the Friends fundraising event.

I wish you a happy and safe weekend.

Kind regards

Mr B Rogers

This week's pupil's Awards **1st December 2023**

Congratulations to the following children for their hard work and positive approach to school.

Class	Pupil of the Week	Resilience Award
Ocean Class 1	Stanley	Ryan
Rainforest Class 2	Freddie	Primrose
Polar Class 3	Arthur	Charlie
Climate Class 4	Winnie	Millie
Eco Class 5	Wilkin	Barira

Well done everyone!
