

Bradleys Both Community Primary School

Friday 12th April 2024

Dear Children, Parents and Staff,

Welcome back to school! We hope you all enjoyed your Easter break and are fully recharged for an exciting and busy Summer term back at school. Did everyone manage to find our Easter bunny, 'Twinkle' who was hiding out in the shop window of 'Skip to School' uniform shop in Water Street as part of the Skipton Easter Bunny Trail?

Maths Challenge Winners

Well done to everyone who took part in our Maths Challenge over the Easter holiday as part of World Maths Day. It has been great to look at and share all the different ways you have found Maths in our daily lives. The children's presentations will be displayed around school to celebrate everyone's investigations. Congratulations to each of our winners who were announced in assembly today and who won a Maths related prize:

Ocean Class 1 - Mollie
Rainforest Class 2 - Henry S
Lower Key Stage 2 - Robert
Upper Key Stage 2 - April N

YCAT Staff Training Day

The staff team and I joined staff from the other YCAT schools to take part in a joint inset training day on Monday. It was great to be part of this larger collaboration and to realise how aligned our schools really are through the discussions and shared approaches to leading our schools. We were joined by Lesley Sullivan, HMI and Ofsted's National English Lead who reflected on her recent English report for English. We shared school experiences of supporting wellbeing through our joint participation in the 'Raising Attainment with Wellbeing' project. Our SEND Leader, Claire Ashton led training for all schools in ADHD. It was an uplifting and informative professional day for us all.

Donation to School

The Friends of Bradley and School team wanted to let you know that we have received a very generous and kind donation of £2000.00 to be spent on improving opportunities for the children at our school. Friends have recently registered for Gift Aid which means that the donation will be extended to the value of an amazing £2500.00. This is fantastic and we are all very grateful to the parent for their kind donation to Friends.

This additional donation has meant that the Friends are able to fund the purchase of additional computing equipment enabling school to invest in additional IT devices for the children to use across the school in all classes. We are incredibly lucky to receive such support for our school and extremely grateful to the family who wishes to remain anonymous. With Friends now being registered for Gift Aid we will be able to gain further when fundraising in the future.

Dates for your diaries:
