**We are a NUT FREE School**

You may have seen posters around school informing our community that **we are a NUT FREE school**. Please help us to keep a small number of our children safe by ensuring that no nuts or nut related products are brought into school. This is particularly important for school packed lunch boxes and break time snacks. Thank you everyone for your help.

Dear Children, Parents and Staff,

A very warm welcome back to everyone for the start of our Autumn term together. We do all hope that you had a great Summer holiday. It has been really exciting to welcome our new children to Bradleys Both. The children seem to have quickly settled into their new classes and our school routines this week. The staff have all worked hard over the Summer to prepare their classrooms and plan the children's learning around some interesting topics. A Curriculum Newsletter will be sent home in the coming weeks to give you further information.

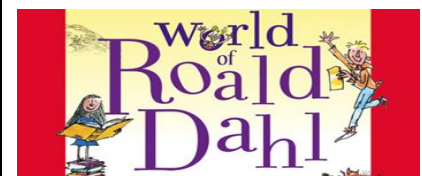

A copy of our 'Home School Agreement' has been sent home today for you to share with your children. This is a really important agreement and reminds everyone about expectations in attending and working at Bradleys Both. We are very proud of our school and appreciate every member of our community approaching school life in our Bradleys Both way. I have shared this with the children in our Friday assembly and will be focusing on this with the children during assemblies in the coming weeks. I very much appreciate the support you as parents provide us.

I look forward to us working together over the coming terms.

I wish you all a lovely weekend.

Kind regards

Barry

**Wednesday 13th September**

Celebrate Roald Dahl Day and come to school dressed as a character from a Roald Dahl story **OR** you might prefer to make a model of a character or scene from a Roald Dahl story and bring it in to share with your class.

We will hold a loose change collection for the 'Roald Dahl's Marvellous Children's Charity'.

We will be planning a day of learning around the author Roald Dahl to encourage the children's interest in reading and writing.

We hope you will have a **scrumdiddlyumptious day!**

**University of Bradley**

The children have received their University of Bradley brochures this week and made their selections of activities for the next three half terms. I will endeavour to collate these and organise the children into groups ready for our first University afternoon on **Friday 15<sup>th</sup> September**. We have included a great range of interesting and exciting activities for the children to choose from and it has been great to hear how excited the children are to get started with their first module.

Please can the last few brochures with the children's choices be returned to the school office by Monday 11<sup>th</sup> September? Thank you.

**IMPORTANT DATES & EVENTS:**
