THANK YOU.

Dear Children, Parents and Staff,

Wow Wow WOW! What an exciting and busy last week of term we have had altogether.

Congratulations to the Year 6 and Key Stage 2 children for their end of year performance which they performed on Monday afternoon and Tuesday evening. It was great to see so many family, friends and local community join us for these performances and we were all very proud of the children. Wednesday evening saw the staff and Netball Club play an afterschool match. A big thank you to Caroline Windsor for organising this and to all the adults who came to join in. Everyone had lots of fun and I managed to survive the game without needing medical assistance!! Congratulations to the winning team!

Today we held our Year 6 Leaver's Assembly and were grateful to the children's parents who joined us for this special assembly. It was delightful listening to the staff reminiscing about each of the children and sharing their memories of the children. It is very special how well the teachers know the individual children. The Year 6 Leaver's Film was a credit to the children and demonstrated the many memories and experiences that the children have received from attending Bradleys Both over the years. Thank you Sophie Exley for helping the children put the film together over the last few weeks.

Children, please remember to look after each other over the Summer holidays and stay safe. Make sure someone knows where you are at all times and have a really wonderful school holiday. I wish all our super Year 6s and children leaving Bradleys Both this term lots of luck in moving to their new school in September and look forward to hearing about your continued successes. Remember to carry on enjoying school life and doing your very best.

A personal thank you to everyone ...

I would like to thank each and every member of the Bradleys Both staff team who have worked incredibly hard, supported myself and the school and given so much time, energy and effort over this school year. I am very grateful to have such a fantastic team of people who work with me and together it has been a team effort in further developing our school this year. Thank you everyone!

Thank you to the children who are central to each and every day at Bradleys Both. They bring fun, laughter and enjoyment to their learning and make every day different.

And finally ... a really special thank you to everyone for organising such a lovely last day and special celebration lunch. It was very special and amazing how the children and staff have kept so many secrets over these last few days. Thank you for everyone's best wishes, cards and presents. We will share photos of the special day in September!

Have a wonderful Summer! We will see the rest of the school back together on Wednesday 5th September for the first day of the new Autumn term.

Kind regards
Barry
