Saturday 6<sup>th</sup> July 10.45am**

**PLEASE park considerately in the village and ensure residents  
drives are not blocked.**

**Parking is available at Bradley Village Hall**

**PLEASE DO NOT PARK IN THE METHODIST CHURCH CAR PARK**

Dear Children, Parents and Staff,

Well done to the Year 6 football team who took part in the Greatwood Cup tournament last Monday. The team played really well and represented our school brilliantly. Thank you to Mrs Dewhurst, Mrs Hall, parents and Alex (Daniel's brother) for supporting and helping the event.

Everyone seemed to have a successful transition day on Tuesday where the children spent the day in their new classes. It was great to welcome Kris Bousfield to the teaching team and I know Edison Class enjoyed working with her for the day. It was lovely to meet our new Reception children and welcome a couple of new older children to Bradleys Both too. We are looking forward to a super start in September!

The field has been cut, the white lines laid and we have fingers crossed for a dry day ... so it must be Sports Day tomorrow! Children should arrive at school already in their school PE kit and outdoor trainers at 10.45am to enable us to make a prompt start with races at 11.00am. Do please bring a picnic along so that you can join us after our sports day presentation for some fun. BBQ, refreshments and ice creams will be on sale. We recommend children bringing sun hats and cream if the weather is looking like a warm one tomorrow. Thank you to Jane Hitchcock and the other Friends for their help in organising the Family Day events. I look forward to seeing everyone together tomorrow.

Thank you to everyone who join in with our Bradleys Both Boost this morning, what a great way to start our day!

### Next week ...

Don't forget it is the end of year disco on Tuesday evening 6.00 -7.00pm for Classes 1 & 2 and 7.15 - 8.30pm for Classes 3, 4 and 5.

Our Year 6s are off for a canoeing adventure day next Friday.

I wish you all a lovely weekend and look forward to seeing you all tomorrow morning for sports day.

Kind regards  
Barry

## Airton

This week we have been extremely busy. In maths, we have consolidated work on our number bonds to ten, finding patterns...and we have also been investigating how to balance equations when a number is missing. In literacy, it has been important for us to use punctuation correctly in our writing. On Tuesday, we had a fabulous transition day producing artwork for a display in September and learning all about the inventor/scientist 'Alexander Graham Bell', who our class will be named after in September. We have enjoyed practicing for our sports day on Saturday, in our P.E lessons with class 2. We hope to see everyone at 10.45am on Saturday. Remember; races start at 11am prompt.

Have a good weekend.

P.s Thank you for your donations of junk. We currently have enough for now.

**Pupil of the week: Asha, for writing a fantastic Bean diary.**

**Maths Maestro: Alex, for confidently working out balancing equations.**

## Cracoe

What a busy week we have had! On Tuesday we all enjoyed the day in our new classrooms - we all had great fun learning about the scientist our class is named after and creating work to be displayed in September. Yesterday we enjoyed a visit to Keighley and Worth Valley Railway. We took part in activities at Ingrow station based on the seaside now and then and we got to have a ride on the train to Keighley and back. We would like to say a big thank you to the parents who came with us and also to Charlotte's Dad for talking to us once we arrived at Keighley. In Numeracy this week we have focused on number bonds to 10, 20 and 100 - quickly recalling them and using them to help us answer questions. We're all looking forward to Sports Day tomorrow and we've practised this week with Class One and we can't wait for the Mum's race after all our races!

**Pupil of the week: Percy, for always working hard and trying his best.**

**Maths Maestro: Alice, for confident contributions on the carpet.**

## Farnhill

This week in Farnhill class we have been finishing our plans and designs in preparation for our creations next week of buildings from Bradley Village. This encompasses our learning around our local area. If you have any cardboard or materials at home that you could send in that would be great, just in case. In Mathematics, we have been consolidating our understanding of the short and expanded multiplication methods. In French this week we have been learning how to read a, translate and pronounce the colours in French and defining whether they are light, dark or bright. Over the course of the week the children have been practicing each of the individual races in preparation for Sport's Day this Saturday. On Tuesday for Transition day the children got chance to impress their new teacher and meet the children who will be in their class for the coming academic year. In English, we have been writing a recipe for a spooky spell and unpick the different word types in our instructions.

**Pupil of the Week: Evie, for reading with accuracy and fluency.**

**Maths Maestro: Isabella, for her commitment in mental maths.**

## Linton

It has been a warm week in Class 4, we have enjoyed P.E. outside and activities on the field. In maths we have used our multiplication and division skills to find fractions of larger numbers including decimals, it is amazing how much progress we have made with our times tables and division facts. In my problem solving group we learnt about Durer and his magic square from the 16th Century, it really was magic! We had fun solving other magic squares. In English we have edited our letters to Mr. Bailey, the tour guide at Skipton Castle and written them up in best, I will deliver them to the castle and they may be displayed in the lunch room.

In Science we have finished creating graphs which help us compare the gestation period of animals and their life span, we have analysed our findings using the graph.

Libby worked again with our Year 5s answering their questions, this was her last session.

In History we used our facts about Lady Anne Clifford to research the family tree of the Cliffords and periods in history associated with them, for example- the Civil War. We were surprised how forceful Lady Anne Clifford was with Oliver Cromwell.

Our transition day was a great success, all the children were excited and enjoyed being together in their new classes.

**Pupil of the week: Chloe T. for showing great pride in her work.**

**Maths Maestro: Tilly, for working hard and making excellent progress.**

## Grassington

What a strange week we have had in Class 5! On Monday, only six children were in class until they were joined by the returning footballers to bring the number up to 15-everyone else had gone to South Craven for the first of their two transition days. On Tuesday the remaining year 6 spent the day with Mr Mountain enjoying some sporting activities and creating Transition booklets, whilst the year 5's welcomed the future Class 5 for the day. On Wednesday, we were all back together and it was lovely to hear so many positive comments about the secondary school transition days and how excited they all are about moving on.

In our investigative maths session we identified patterns of square and cube numbers and in English we have continued with a focus on drama by studying the tricky Shakespearean language of Macbeth; having a go at putting it into a modern form. Well done everyone, you worked hard at this...

A big 'Thank you' to Alex (Daniel's big brother) who gave up his time and offered his expertise on Monday when the footballers played in The Greatwood Cup. Alex was a great help with organising the team and keeping them warmed-up. It's a pity we didn't get through the first round but they played really well and above all, fairly.

**Maths Maestro: Heather, for confident problem solving skills.**

**Pupil of the Week: Wilf, for his reading skills in drama.**

## Lottery Winner

Congratulations to **RACHEL BARNES** who won the school lottery draw on Saturday!

Lottery tickets are just £1 per ticket per week, with 40% of the ticket sales going directly to school. This is a great way to support your school and be in with a chance of winning the £25,000 jackpot prize as well as a local cash prize won every week by a Bradleys Both supporter. To buy your ticket, go to: <https://www.yourschoollottery.co.uk/lottery/school/bradleys-both-cp-school>

## Sports Day and Family Day

**\*\* Bakers Wanted! \*\***

Donations of cakes, biscuits and sweet treats needed for Sports Day & Family Day. Any further donations are very much appreciated and can be dropped off in school at 10.45am on Saturday.

## School Disco Tuesday 9th July

Class 1 & 2 6PM to 7PM

Class 3, 4 and 5 7.15PM to 8.30PM

£1.50 pay at the door

Snack & drinks will be provided

## Parent Pay contributions 2019

As we are coming to the end of the school year and we will be using School Comms in place of ParentPay in September, there are a few items on Parentpay that are still outstanding payments. These include:

- Class 1 Skipton Woods visit May 2019
- Class 1 Swimming Jun/Jul 2019
- Class 2 Skipton Fire station 2018
- Class 2 Keighley and Worth Valley Railway July 2019
- Class 3 Nell Bank
- Class 4 Skipton
- Class 5 Museum of Industry
- String Music Group—Summer Term
- Year 6 Canoe day
- Year 6 Crucial crew

Please can you check if your child's name is there and if so, please make payment (unless you paid via cash/cheque). If your child's name is not there and there is no option to pay, then you have paid already, of which we thank you very much.
